Charlie Fox releases sophomore album, *The Road* with record release show

Denver, CO – January 16, 2023 – Denver music artist, Charlie Fox, has completed her sophomore album, ***The Road*** and it will be available for download and streaming beginning January 20, 2023.

Charlie Fox's soulful voice and gritty songwriting narrates a journey of transformation and growth. Composed of nine original songs and one cover, ***The Road*** is infused with soulful grooves, sounds of the past, and earnest melodies, all inspired by the roots of soul, jazz, the blues, and gospel. ***The Road*** captures a retro sound immersed in contemporary music and authentic lyrics.

"This album is deeply personal for me," commented Charlie Fox. "I'd been through a painful period of development and change, and I had to dig deep into my Gospel roots to write this record. I hope my journey will bring hope and light to everyone who listens."

The Road will be available for download and streaming on all major platforms, including Spotify and Apple Music.

###

Born and raised in Denver, Colorado, **Charlie Fox** grew up singing in church and attributes her soulful voice and musical style to her Gospel music background. Charlie started writing music at the age of 15, and composes original music influenced by jazz improvisation, soul singers of the past, and late-night jam sessions.

The Charlie Fox Band includes Charlie Fox on Vocals/Keys, Kyle Jones on Bass/Synth, and Mike "Chip" Chipman on Organ/Keys.
